

# Killarney Fitness Centre Closure

The Killarney Community Centre Society has decided to temporarily close the Killarney Fitness Centre effective December 2, 2020. There are several reasons for this closure, including both financial and a concern for safety. With a limited number of entries permitted each day and increased staffing and maintenance costs, the board does not see the fitness centre operations as sustainable. In addition, the board is concerned with the growing number of COVID-19 cases. Despite all staff efforts to maintain a clean facility and enforce safety protocols, the board continues to be genuinely concerned about the spread of COVID-19 and the safety of the community. Once the Fitness Centre operations can be returned to a viable operation, the doors will re-open.
